

HELIOS 25YW

Solar, Battery Powered White LED Floodlight

Helios Solar/Battery Powered Lights

Helios lights are designed for use with battery/solar powered systems. They are ideally suited for off-grid solar or mobile applications where 12-24V batteries are used. Helios lights are outdoor IP67 rated and are rugged and vandal resistant.

Easy Integration and Control

Helios lights have a built-in light sensor and can be set to turn ON/OFF depending on lighting conditions. Or, use the light's I/O ports to connect to a camera, sensors or other I/O port device to turn the light ON/OFF based upon pre-set conditions.

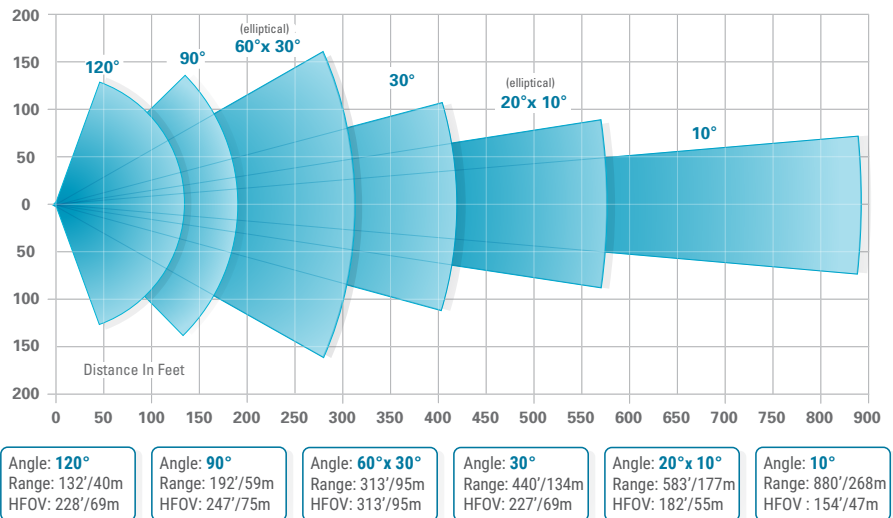

Lifetime Warranty - Made in the USA

AXTON Lights are covered by a lifetime warranty with advanced replacement.

FEATURES

- White Light - 4,200 lumens
- Outdoor IP67 Rated
- Energy Efficient - 25 Watts
- Advanced LED Technology
- I/O Port Sync with Sensors, Devices
- Automatic Day/Night Sensor
- Designed and Manufactured in the USA
- Lifetime Warranty

RANGE

SPECIFICATIONS

White Light	Lumens: 4,200/ Temp: 6000K
Input Voltage	9 to 28 VDC
