

Smart 56S

Essential Infrared

Smart Infrared Illuminators

Smart Series IR Illuminators are outdoor IP67 rated, rugged and vandal resistant. Choose from six range/angle options to match the light to the camera's field of view.

Easy Integration and Control

Seamless and precise control via Input/Output ports. Sync with camera, sensors or other system devices with I/O ports. For easy integration, a built-in photocell switches the IR ON/OFF based on lighting conditions.

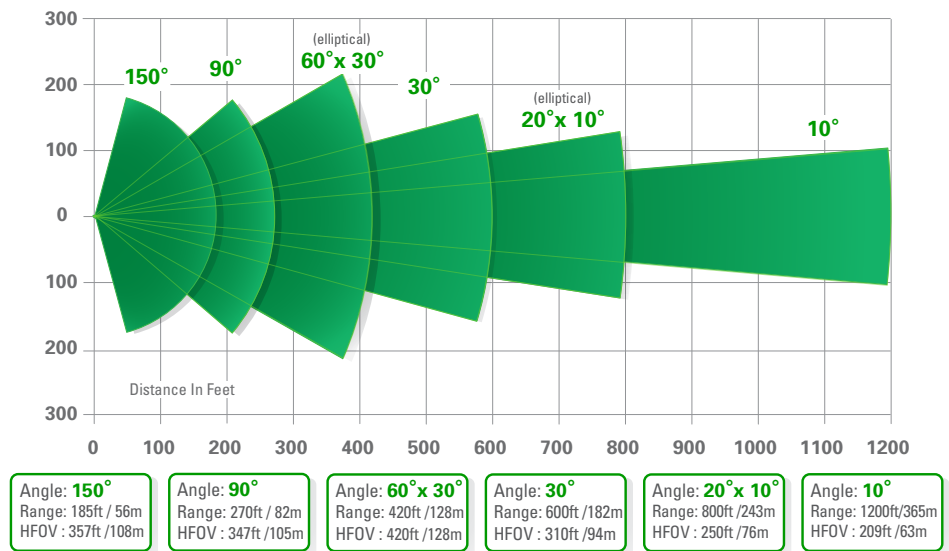

Lifetime Warranty - Made in the USA

AXTON Lights are covered by a lifetime warranty with advanced replacement.
