

NANO 3M

Compact IR Illuminator

Nano Infrared Illuminators

Nano Series IR Illuminators are compact and are ideal for smaller areas. The Nano 3M is outdoor IP67 rated for use indoors or out. Choose from six range/angle options to match the light to the cameras field of view.

Easy Integration and Control

Seamless and precise control via Input/Output ports. Sync with camera, sensors or other system devices with I/O ports. For easy integration, a built-in photocell switches the IR ON/OFF based on lighting conditions.

Lifetime Warranty - Made in the USA

AXTON Lights are covered by a lifetime warranty with advanced replacement.
