

BLAZE 360°

Wide Angle White LED Floodlight

Wide Angle, Full 360° White LED Floodlight

The Blaze 360° provides full 360° high intensity White Light. The adjustable Pan/Tilt Mounting System adds additional illumination control and flexibility.

Easy Integration & Control

Seamless and precise integration via input/output (I/O) ports. Sync with camera, motion sensor or any other system device with I/O capability, to turn light ON/OFF based upon preset conditions. For easy integration, the automatic DAY/NIGHT sensor turns the light ON/OFF based upon ambient lighting.

FEATURES
