

Tactical 25T, 25TE & 25TY

940nm IR Illuminator, 24V DC/AC, PoE+ or Off-Grid

AXTON
ILLUMINATE THE NIGHT

Covert 940nm IR Illuminator

The Tactical 25T(*) is a fully covert 940nm IR Illuminator with no red glow at the LED source. The Tactical 25T is available in three power input options: 24V DC/AC, PoE+ or Solar/Battery.

Easy Integration and Control

Seamless and precise control via Input/Output ports. Sync with camera, sensors or other system devices with I/O ports. For easy integration, a built-in photocell sensor can be used to turn the IR ON/OFF based upon ambient lighting conditions.

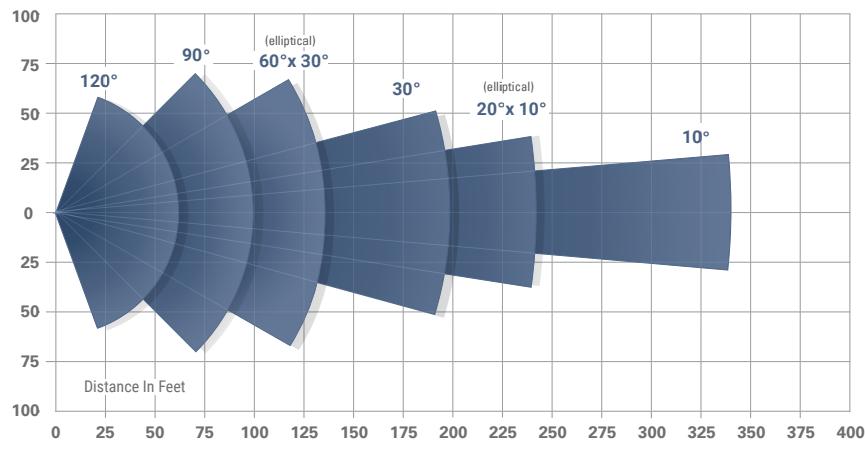

Designed & Manufactured in the USA, Lifetime Warranty

AXTON Lights are designed & manufactured in the USA and are covered by a lifetime warranty.

FEATURES
