

Tactical 3TM

Compact 940nm IR Illuminator

Compact 940nm IR Illuminator

The Tactical 3TM is a fully covert 940nm IR Illuminator. The AT-3TM-S is only 2.5 inches long and ideal for small areas. It is rugged and vandal resistant with an outdoor IP67 rating.

Easy Integration and Control

Seamless and precise control via Input/Output ports. Control with camera, sensors or other system devices with I/O ports. For easy integration, a built-in photocell switches the IR ON/OFF based on lighting conditions.

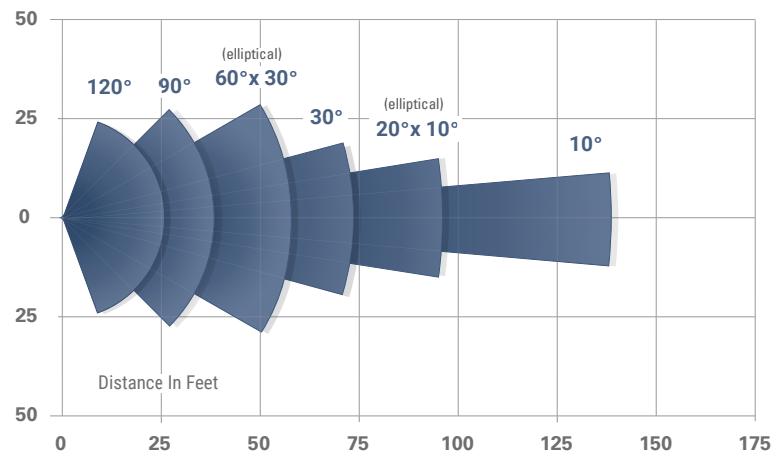

Designed & Manufactured in the USA, Lifetime Warranty

AXTON Lights are designed & manufactured in the USA and are covered by a lifetime warranty.
